

2016 Sauvignon Blanc

100% Sauvignon Blanc

Appellation: North Fork of Long Island

12.2% alcohol

TA: 6.785g/L

pH: 3.31

Our Sauvignon Blanc was made entirely in stainless steel. We chose to accentuate the vibrant varietal fruit aromas and flavor, and to retain crisp acidity by using no malo-lactic secondary fermentation and no barrel aging.

Our Sauvignon Blanc abounds with gooseberry, red delicious apple and lime aromas. There is a flinty/mineral texture on the palate with apple and lime. This wine has a crisp zesty acidity with a lush mouth feel.

It pairs perfectly with seafood, chicken and light fare (salad courses).
