ASILI BARBARESCO RISERVA DOCG

WINE DESCRIPTION

This 7.5 acre vineyard resides in a geological bowl, protecting the vines from wind and humidity. The vineyard's poor soil results in a complex minerality in the final wine. Asili has a great aging potential, but shows a distinct personality early on. The first vintage of Asili was produced in 1970.

TASTING NOTES

Ruby red color. Elegant nose with refined red fruit notes. On the palate, it is complex, with a full-body, silky, rich, with a long finish.

FOOD PAIRING

Pairs well with fresh egg pastas, risottos, white meats, red meats, venison and cheeses.
