

VIE DI ROMANS Chardonnay FRIULI ISONZO DOC

Vie di Romans

WINE DESCRIPTION

The 140.85 acres of vineyards are located in a niche microclimate that benefits from soil rich in alluvial fans and minerals that have been carried there by glaciers over the millennia, as well as, the Bora winds from the east that result in large, daily temperature fluctuations. Vie di Romans means “road of the Romans” in the Friulano dialect and refers to the Roman road that connected the cities of Aquileia and Cividale which once passed through this vineyard.
