

CHÂTEAU LES VIEILLES PIERRES LUSSAC-SAINT-ÉMILION

Region:	Bordeaux
Appellation:	Lussac-Saint-Émilion
Farming Practices:	Conventional
Vineyard:	20 ha
Soil:	Clay and gravel
Grape Varieties::	70% Merlot with 30% Cabernet Sauvignon
Age of Vines:	25 years average
Yield/Hectare:	55 hl/ha

Vinification and Élevage: Grapes are harvested separately, by-hand, for a careful selection of the fruit. The wine is fermented, then aged in cement vats. This wine sees no oak aging.

Tasting Notes: Plump notes of black and red fruit, with a hint of smoke and herbs. The Merlot provides a lovely round texture and the Cabernet Sauvignon some structure and mineral. A full-throttle, right bank value.
