"From a sun-drenched slope in Serralunga d'Alba, the Giovanni Rosso 2017 Barolo Cerretta shows a rich and dark appearance with black cherry, dried blackberry and a touch of apricot. Those hot-vintage fruit aromas cede to spice, metallic earth, rusty nail and licorice. The wine is lovely in terms of mouthfeel, with good freshness and lasting structure."

SERRA BAROLO DOCG 2017

"From another prized vineyard site in Serralunga d'Alba, the Giovanni Rosso 2017 Barolo Serra is balanced and bright, with dark cherry fruit, crème de cassis, baked clay and rusty mineral. Those more ferrous aromas are followed by a pretty hint of blue flower or dried lavender. This is a nicely textured, mid to full-weight Barolo to hold in your cellar."
